

Community Profile – Treherbert, Blaencwm, Blaenrhondda, Tynewydd and Penyrenghlyn

Introduction from the community

Overview

Situated at the head of the Rhondda Fawr valley in the county borough of Rhondda Cynon Taf – these are former industrial coal mining villages which were at their economic peak between 1850 and 1920. Treherbert is the upper most community of the Rhondda Fawr and encompasses the districts of Blaencwm, Blaenrhondda, Tynewydd and Pen-yr-englyn.

Blaen-y-Cwm and Blaenrhondda are at the head the Rhondda Fawr valley. With Treherbert, Tynewydd, Blaencwm, Blaenrhondda and Pen-yr-englyn it is part of a community of Treherbert. Rhondda Fawr is the larger of the Rhondda Valleys.

The entire upper Rhondda has beautiful outdoor green spaces and although each village is its own community as they mostly run straight into each other communities are well linked. Treherbert has an active busy high street. The very close proximity of towns and village in the Rhondda Fawr mean that people from Treherbert to Blaencwm drive through / visit Treorchy which is the main hub of the Upper Rhondda on almost a daily basis.

The Welcome to our Woods, Create Your Space Programme is a long-term Lottery funded placed based approach to supporting the community improve health and wellbeing and the local economy through better use of the natural assets in the Upper Rhondda working to connect villages - the activities taking place in the area, especially the Welcome to Our Woods activities are connecting people living in the local villages.

Analysing what are the main gaps in provision?

- Perceived lack of activities for young people (some young people would like to see Boxing Gym)
- Community members suggested they would like to see a Bowling Alley in the community – a large scale one to bring people to the area (like the one in Nantgarw).
- Range of activities are limited
- There are no shops in Blaencwm or Blaenrhondda and residents feel something is needed further up the valley.
- People feel you have to use the internet to find out what is happening and groups and events should communicate in other ways.
- There were issues of littering and damage in Treherbert park and MUGA areas and the community are working with WTOW to investigate ways of dealing with this.
- There are no banks or visiting banks in Treherbert
- People often visit Aberdare as closest large town and would like to see a bus connection.
