

# Community Profile – Maerdy, Ferndale and Blaenllechau

## Quotes from the community

Maerdy and Ferndale need intergenerational activities, including capitalizing on working age adults to act as mentors and role models for young people and removing barriers and enabling young and older people to share experiences, such as volunteering and open days in residential homes.” – *Residents of Maerdy and Ferndale (Our Community Matters event).*

**Opportunities into work** “There are more places to work in Ferndale than there are in Maerdy, but not many opportunities for exciting creative jobs. When I think about getting a good job, I always think of going to University and moving away. Although I love where I am from, we don’t have great jobs available.” – *Young person from Maerdy, attending Ferndale Youth Club.*

**The Importance of community groups** the people of Maerdy and Ferndale recognize the importance of groups and organizations working together and are passionate in ensuring community spirit remains high. – *Our community matters event.*

**Environment** “The valleys have become a beautiful green environment; the landscape compares to some of the most beautiful places in the world. My young great nieces recently visited from Australia. They are 5 and 3 years old, my sister was driving them up to visit us in Ferndale and they were having a conversation in the back seat and all my sister could hear from them was “wow, my mountain in my window is huge and green,” then “no my mountain is better in my window, it’s all purple and grey and green and its big it’s amazing.” My sister was chuckling in the car all the way up the valleys.”

**Overview** - Ferndale is a small town in the Rhondda Fach valley. Its neighboring villages include Maerdy and Blaenllechau. Ferndale is 2.1 miles from Maerdy. It is situated at the top at the Rhondda Fach valley, 8 miles from Pontypridd and 20 miles from Cardiff. The villages have magnificent scenery.

Maerdy was the last deep mine in the Rhondda valley and closed in 1985 but the mine was still used to transport men into the mine for coal to be mined to the surface at Tower Colliery until 1990.

The population of the area is 7,255 of this 21% is aged over 65 years of age, 18% are aged under 14 and 61% aged 35-50. These are the Maerdy hub and the Arts Factory. Both centre’s offer job clubs, Citizen’s Advice Bureau (CAB) and signposting. There is a sports centre offering football, netball rugby, basketball, tennis and a gym. There is also a boxing club and karate available in Maerdy and Ferndale. Darran Park is a large green area with tennis courts, pond, play areas etc.

I was born and bred in Ferndale and have come back here to live because I love the community. Ferndale was chosen for the series 'Stella' – I believe because of the kind nature and down to earth approach shown by our Residents. Families were drawn to Ferndale for work in the Coalmining Industry. Although we do not have any Coalmines now, we benefit from the clean running rivers and beautiful countryside, Our area is now one of a tourist attraction.

**Our Community has something for everyone.** We have wonderful walking areas; this has proved to be a major advantage over the last 12 months and benefitted so many people that were restricted due to travel restrictions. Three examples of significant walking areas are: The Lake and Woodland in Darran Park, Park Road leading to Tylorstown, Blaenllechau Road leading to Llanwonno. The views from these areas are second to none. Plans have been approved for a new Cycle path to continue the existing path from Pontygwaith leading to our beautiful Reservoir area and the top of Maerdy Mountain.

We have 3 local children's parks situated at Blaenllechau, Albany Street Park and Darran Park and all children's facilities have been updated in the last few years. Our 2 main playing Fields are at Greenwood Park, where the Rugby Clubs play and Darran Park has AstroTurf where there is mainly football, used by a number of local Football organisations. There is a Fishing Club based at the large lake in Darran Park and they are in the process of adopting The Lake. There are two Community Gardens, one locally at Highfields Industrial Estate the second at Taff Street just below Blaenllechau.

**Shops** - We have a number of shops on our High Street, where you should be able to find anything you need from food supplies to household and beauty needs. We have number of 'Take Away' outlets, including Fish and Chip Shop, Chinese, Italian and Indian cuisine to suit the needs of all. There are a number of Cafes, a Tea Room (also offer Buffets) and Licenced Premises, providing good quality food during the day and evening time.

**Social** - There are plenty Social Clubs for young and old. Arts Factory, Morlais Hall, AIM Academy, Blaenllechau Youth Project and Fern Partnership, offer social activities and children's activities all to support health and well-being. We are fortunate to have a First Class, World renowned 'Cor Meibion Morlais' Male Voice Choir and a newly formed Ladies Choir 'Ladies of The Lake' (hopefully they will be as successful as the male voice choir) and a visit to one of their Concerts will never disappoint. We have a local WI and local OAP Group who provide many social interaction Events and Day Trips.

**Together** - During Lockdown we had many local organisations and residents who volunteered their time and services; they all came together to support each other and connected with the local shops and gave excellent service by providing telephone orders and deliveries for the needy. Our Residents were so thankful for all the community spirit.

I have immense love for my residents and my wonderful community of Ferndale and want the best for everybody.

**Cllr Susan Morgans, Ferndale, September 2021.**

When I think of home, I think Maerdy. It is a place with a rich heritage and culture, most notable for being famous for its coal and being the last mine to close in the Rhondda.

Unfortunately, since the closure of the mines and lack of future planning, Maerdy has suffered tremendously with services being withdrawn from the area and people moving out of the area in search of work and opportunities in areas such as Cardiff, Newport, or Swansea.

Although our struggles, the community spirit in Maerdy has not wavered, with many groups and organisations working to better the day to day lives of those within the village. Maerdy sure has one of the strongest community backing I have known.

Maerdy does have some of the most amazing views from on top of the Maerdy Mountain Road overlooking the Rhondda Fach or along our many fabulous walking paths up to the Castell Nos Reservoir or the Lluest-Wen Reservoir. Our walking paths connect for miles around with great walking routes to the Rhondda Fawr, Cynon Valley, and further afield.

With many exciting plans ahead, there is so much potential in the area. With help from Pen y Cymoedd and other partners and engaging with other community members, I believe Maerdy strong future is safe.

- Y Gyng. / Cllr. Jack Harries – Maerdy Ward
